

WITHOUT YOUR TUCSON FIRE DEPARTMENT...

COULD YOU GO IT ALONE AT 3:00 AM?

If your smoke alarm goes off at 3:00 AM, isn't it good to know you're not on your own?

Rain or shine, night or day, 365 days a year, your Tucson Fire Department is on duty to respond to emergencies and watch over you and the people you love.

Like all vital city services that are funded in part with revenue allocated by the Legislature—such as parks and libraries, courts, and police protection—you can take your fire department for granted.

Just part of our quality of life that lets us all sleep better.
